

SHANA PEARSON
Single BURNING UP

Shana Pearson is American-Swiss, she was born in Geneva (1985) and lives in Lausanne.

After the successful release of her first single "Stronger", which was aired all over France, Algeria and Switzerland and was presented for the first time at the New-York Fashion Week in September 2015, Shana Pearson is back with her new single called "Burning Up, which will be on her upcoming EP being released end of October 2016.

Shana has gone a long way since the release of her first album « Regarde-moi » in 2009, which received a Gold disc in Switzerland. Indeed, the

song « Distress », in collaboration with the famous party-rocker and DJ Big Ali, was number 2 in the French charts for several weeks in the summer of 2011. They then toured together all over Europe that year. In 2013, Shana released her 2nd album called « Love Inferno » and opened for Justin Bieber in Strasbourg.

Single BURNING UP

"Burning Up is an irresistibly catchy, feel good anthem that captures the ecstasy of summer and makes it last just a little bit longer".
