## SHANA PEARSON from Lausanne - SINGLE STEAL YOU - Release 05.06.2020

---

After an intense year of touring across New-Zealand, Philippines, Malaysia, Thailand, Indonesia, Singapore, France and Switzerland with over 80 concerts, Shana Pearson is back in 2020 with a fresh Pop summer tune called "Steal You" that will make you vibe the whole summer.

Composed by Shana Pearson and her producer friends Aka Blok (London) and Syps (Bangkok), the song was recorded in London in a studio right before the Corona hit.

Shana Pearson was born in Geneva in 1985 and now lives in Lausanne. Last year she gave up her job in order to concentrate fully on music.
